¹The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and other require a special adapter/back cover. For a list of GM wireless charging-compatible mobile devices see my.chevrolet.com/learn/About/wireless-charging. If your device is not on this list, please consult your carrier. ²Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See onstar.com for details and limitations. Properly equipped vehicles receive 1 month or 3GB of 4G LTE data (whichever comes first). Availability subject to change. ⁴Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the owner's manual for important feature limitations and information. ⁵Cargo and load capacity limited by weight and distribution.
